

Building a Better Bridge

Providing Continuous SMA Care From Adolescence Through Adulthood

Activity Description

A new era in spinal muscular atrophy (SMA) management has arrived, changing the disease outlook for patients with this devastating condition. The FDA approval of three disease-modifying therapies dramatically shifted the natural course of SMA in response to treatment, which means more patients with SMA are living to adulthood.

This live activity will prepare you for the burgeoning era of adult SMA care and the specific needs of these patients. You will receive expert guidance and best-practice recommendations to facilitate the comprehensive continuity of care and follow-up your adult patients need, especially as they transition from pediatric care. You will learn how to individualize the use of disease-modifying therapies and provide supportive management strategies to supplement the therapeutic and psychosocial needs of your patients.

Request a meeting at your institution today!

Target Audience

This activity has been designed to meet the educational needs of neurologists, primary care physicians, advanced practice providers, and other healthcare professionals involved in the care of patients with SMA.

Educational Objectives

Upon completion of this activity, participants should be better able to:

- Describe the challenges faced by providers and their patients with SMA as the patients transition to adult care
- Establish protocols that facilitate the effective transition of adolescent patients with SMA to adult care
- Determine an individualized treatment approach that addresses the clinical care and psychosocial needs of adult patients with SMA

Method of Participation

There are no fees for participating in or receiving credit for this CE activity. For information on applicability and acceptance of continuing education credit for this activity, please consult your professional licensing board.

A statement of credit will be issued only upon receipt of a completed activity evaluation form and will be emailed to you upon completion. You will receive your certificate from email@email.peerviewpress.com. If you have questions regarding the receipt of your emailed certificate, please contact via email at info@PeerView.com.

Accreditation, Support, and Credit

 In support of improving patient care, PVI, PeerView Institute for Medical Education, is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Support

This activity is supported by an educational grant from Genentech, a member of the Roche Group.

Physicians

PVI, PeerView Institute for Medical Education, designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants

 PVI, PeerView Institute for Medical Education, has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.
